HEAVY VOTE IS EXPECTED IN CITY ELECTION

A MAYOR AND TWO COMMISSIONERS TO BE CHOSEN.

Citizens of Canyon Are Urged to Express Opinions By Voting Tuesday.

Unusual interest is manifested in the coming city election which will be held on Tuesday, April 5. Indications point toward the heaviest balloting of any previous city election. The balloting will begin at 8 o'clock Tuesday morning and the boxes will close at 7 p. m. The voting place is at the city hall.

A mayor and two city commissioners are to be elected. C. R. Burrow is the only candidate for mayor. Four names are on the ballot for places as commissioners. They are W. S. Amend, H. W. Crain, J. I. Ballengee and Dr. H. A. Brown.

Those most interested in the election are urging that all citizens of Canyon come to the polls and express themselves in this election which promises to draw a heavier vote than any election ever before held for electing city officials.

Friends of all the candidates for commissioners have been campaigning heavily for the different candidates during the past week. The issues more widely discussed are being published in this issue of the News.

Dr. J. A. Hill Speaks Over Radio Tuesday

Dr. J. A. Hill was the speaker over Amarillo's weekly Radio Educational hour Tuesday of this week. Dr. Hill discussed present economic and social unrest, and pointed to the place of the school in solving the problems that confront the community, state and nation.

"Every single problem—economic, industrial, political, international"—said he, "is a problem of morality. The banishment of ignorance, the cultivation of intelligence, the deepening of our interest in others, and a higher regard for our obligations of every kind—these are the remedies that will quicken the pulsebeat of our nation and restore the color to her cheeks. Farm relief, employment campaigns, reduction of governmental expenses, et cetera, are valuable only as they prolong life while the more fundamental media of education are saturating and enriching the blood and giving new strength and tissue to the vital organisms."

After suggesting the important role of education in all crises Dr. Hill called attention to the fact that the amount of money spent for elementary and secondary education in Texas is only 2.15 percent of the total income of the state and that this amount is not increasing, but has remained almost static for ten years, and that the value of property for public elementary and secondary school purposes in Texas constitutes only 1.64 percent of the total wealth of the state. The tax burdens of Texas are not so heavy as in the majority of states.

School costs have increased, said Dr. Hill, but they have increased because terms are longer, teachers are better trained, buildings are better equipped and curriculums expanded.

He next showed that teachers salaries in Texas are lower than in most states and that the average salary is \$842. On this amount teachers are supposed to continue finance further study every year or two, dress attractively, and take part in community life.

In closing Dr. Hill asked his hearers to consider the benefits which Texas has derived from her expenditures for education. Texas wealth has been vastly increased; her resources have been developed; her children have been prepared for vocational success; her homes have been made happier; her institutions have been safeguarded. Dr. Hill's address has received many favorable comments from thoughtful hearers.

ROGERS HOME BURNED
Fire of unknown origin completely destroyed the home of Mr. and Mrs. W. M. Rogers south of the city Tuesday afternoon. No insurance was carried on the house or furnishings, all of which were lost.

Mr. and Mrs. T. B. McCarter had as their week-end guests, Mr. and Mrs. W. H. Butler of Dallas.

Judge C. T. Word of Amarillo was in the city Tuesday on business.

Noted Traveler To Give Free Lecture Here

C. Douglas Booth, traveler, publicist, lecturer, authority on Balkan affairs, who has spent a number of years in the Near East and the Balkans collecting political and economical material for a new book, will appear in a lecture in the Auditorium of the Education building, Tuesday evening, April 5th, at 8 o'clock. Mr. Booth is visiting Canyon through the arrangement of the American Association of University Women and the International Relations club of the college. The public is invited to attend the lecture. There is no admission charge.

Among Mr. Booth's books and articles is a paper on the "Political Situation in Southeastern Europe," presented before the Institute, and published in the Journal of the Royal Institute of International Affairs. "Italy's Aegean Possessions," published in 1928, is also well known in the United States, as are his articles written for the American Peace Society of Washington, D. C., and published in the "Advocate of Peace."

Mr. Booth was born in Canada and was educated at St. Andrews College Toronto, and at Lyola University. During the war he held the rank of Major in His Majesty's Forces. He has devoted seven years to the study of Mediterranean and Balkan problems, and has resided or travelled in Morocco, Egypt, Rhodes, Patmos, Athens and Belgrade.

His lecturing experience is varied and includes considerable political work for the National Liberal Party of England, work in the United States for Liberty Loan and Red Cross drives while with H. M. Forces during the war, and later experience lecturing in both England and the United States on International Relations. Two years ago he visited more than fifty of the International Relations Clubs in the colleges and universities of the South and Middle West under the auspices of the Carnegie Endowment. While in the United States, Mr. Booth will lecture upon the World Court, and Reduction and Limitation of Armaments.

Summer Catalog Is Off Press; Ready for Distribution

W. T.'s catalog for the summer session of 1932 has just come off the press and is now ready for distribution. Copies may be had by calling at the office of the Registrar or the office of the President.

The catalog was compiled by the Publications committee, composed of Dean R. P. Jarrett, chairman; D. A. Shirley, Edna Graham, Mrs. T. V. Reeves, L. G. Allen, W. E. Lockhart, and Jennie C. Ritchie.

As has been the custom ever since 1911, W. T. will have a full twelve-week summer term this year. It is interesting to recall that W. T. was the first state college in Texas to offer a twelve-week term in the summer. It will be necessary that some classes be held on Monday this summer in order to get in the required number of days of work.

Grounding Radios on Gas Lines Has Killed Many People

"As many people have been killed in Texas through explosions so far this year than were killed during the twelve months of 1931," stated Lee D. Olive, deputy fire marshal of Texas, who was here making a check of the fire risks of Canyon. He was assisted by Chief of Police Frank Hicks.

Mr. Olive warned people against grounding their radios on the gas mains, or gas pipes any place in or near the homes. He states that this is a common practice and it is causing the loss of life and property in Texas. If the radio is grounded on one of these gas lines lightning or a transformer leak will certainly cause an explosion which will wreck the house, and kill those in it.

Miss Nell Dunaway, who has been employed in Amarillo for some time, has returned to Canyon to make her home with her mother, Mrs. Mattie Dunaway.

Mack Wooley and Haskel Lasater visited Sunday in the home of Mr. Lasater's father, H. W. Lasater.

Miss Willie Wiley of Amarillo visited in the C. N. Presley home over the week end.

Miss Frances Burk of Tucumcari, a former W. T. student, is in school here again this quarter.

SPECIAL TRAIN IS VISITED BY LARGE CROWD

W. T. S. T. C. FACULTY MEMBERS AID IN LECTURES.

College Band Gives Concert; County Agent Upchurch Assists in Welcoming Visitors.

Carrying a message of improved methods of farming and live-stock production, the Santa Fe farm and home special, operated by the railway company in cooperation with the Texas A. & M. College and other cooperating institutions and agencies, arrived in Canyon for a three hour stop Saturday morning, March 26, and was visited by a large crowd of Canyon and Randall county residents.

Two representatives of the West Texas State Teachers College, Prof. T. M. Moore, of the department of agriculture, and Mrs. T. V. Reeves, manager of the publicity service bureau, were aboard as members of the group of specialists handling the exhibits. The West Texas State Teachers College being cooperating institution of this section.

Prof. Frank R. Phillips, head of the department of agriculture of the West Texas State Teachers College, was aboard the train for the week up until the stop at Amarillo Friday when he left the train to return to the college. Prof. Moore and Mrs. Reeves joined the special at Amarillo, being aboard for the program there and continued with the train Saturday for the stops at Hereford and Pampa following the program here.

A number of faculty members of the West Texas State Teachers College, as well as many of the students, visited the special on its stop here. Travis Shaw, business manager of the college, was among officials who visited the train early.

The West Texas State Teachers College band of twenty-three pieces under the direction of C. E. Strain, gave a concert at the Santa Fe depot, where the train was parked for the local program, shortly after arrival of the special.

W. H. Upchurch, Randall county farm agent, assisted in welcoming members of the group aboard the train and in answering questions of visitors regarding the various exhibits.

Among local visitors was C. B. Ray, cow tester of the Randall County Herd Improvement Association. Mr. Ray graduate of Texas A. & M. College with the class of 1931, found his college roommate and classmate, F. M. White, aboard the train, on duty in connection with the livestock exhibits. The two worked together at the A. & M. College dairy while attending college.

No general speaking program was held on arrival of the train here due to the fact that visitors came in small groups. The train was opened and visitors were in- (Continued on last page)

League Contests To Be Finished This Week End

Friday and Saturday of this week will see the completion of many of the county contests which are features of the Texas Interscholastic League, and a large number of advanced college students and faculty members will be out of town assisting in the judging.

R. A. Terrill and Miss Bertha Paltenghe will be at Farwell in charge of the Parmer county meet; Miss M. Moss Richardson, Miss Madge Rusk and Virgil Gore will be at Silverton. T. B. McCarter, Miss Angie Debo and Miss Ima Barlow will be at Conway for the Carson county meet. C. W. Batchelder, Mrs. Tommie Montfort and Herschel Coffee are to be at Pollett. Miss Helen White Moore, Miss Pauline Brigham and Miss Lorene Robbins will judge declamations at Amarillo tomorrow night.

Practically all of the county contests will be over in another week, then the winners will prepare for the final District Contests at Canyon on April 22-23.

I. W. McCURE ILL.
S. B. McClure received word yesterday that his brother, I. W. McClure of Tampa, Florida is seriously ill following a stroke of paralysis which he suffered some time ago. Mr. McClure was a pioneer resident of Canyon moving to Florida several years ago.

Mrs. B. C. Taylor is doing nursing work in Amarillo this week.

ANNUAL FEED OF DAIRYMEN IS WELL ATTENDED

COUNTY AGENT UPCHURCH WAS TOASTMASTER.

M. H. Rockwell, President, Tells of Achievements of Association; Henry Ansley Speaks.

The high school gymnasium was the scene of the fourth annual banquet of the Randall County Dairymen's Association and attended by over two hundred dairymen, their families and friends last Friday evening. The banquet was served by members of the Canyon High School Home Economics department under the direction of Mrs. Edgar Brady.

County agent W. H. Upchurch presided as toastmaster. Music was furnished by the Canyon Novelty Orchestra.

Supt. Irby Carruth, in a few remarks, expressed the pleasure of the public school organization in having the opportunity to entertain the dairymen's association. He declared that the school of a community should be open to the use of that community for public meetings and invited the visitors to regard it as such.

M. H. Rockwell, president of the association in response to Mr. Carruth's welcome, briefly outlined a few of the achievements of the association during the past year.

"Frozen minds are far more dangerous than frozen assets," was the assertion of T. C. Thompson, president of the Chamber of Commerce, in speaking to the group. "Our greatest difficulties lie in our own minds and our worst troubles are the imaginary ones," he continued. Mr. Thompson pointed to the brighter things ahead and the encouraging outlook generally.

Henry Ansley of the Amarillo News-Globe staff, gave his address on the depression as the main feature of the evening.

Mr. Ansley declared that the uses of adversity are sweet and claimed that he likes the depression.

"I like the depression. I have time to visit my friends, to make new ones. I am getting acquainted with my neighbors. In the last six months I have become acquainted with more folks who have been living next door to me for three years. Three years ago we were too stuck up and hifalutin. We have come down off our pedestal and are really enjoying life now."

"I am feeling better since the depression. I take more exercise. I walk to town and a lot of folks who used to drive Cadillacs are walking with me. I like the depression."

GEO. REYNOLDS ILL.
Geo. Reynolds, old time resident of Canyon, is reported to be critically ill at his home at Huntington Park, Calif. Mr. Reynolds was a pioneer resident of Randall county, living here for 17 years.

P. P. H. Banquet To Feature Well Known Speakers

With the Panhandle Plains Historical Society meeting only a week away, calls for banquet reservations are being received by W. L. Vaughan who is in charge of the ticket sales. Tickets may be reserved up to April 5, and the price is seventy-five cents each.

J. O. Guleke, former member of the State Teachers College Board of Regents, and at present a member of the Texas State Board of Education is to be toastmaster for the banquet. Both Mr. Guleke and Mrs. Guleke are life members of the Historical Society, and Mr. Guleke is one of the generous donors to the Museum Building Fund. Mrs. Thomas H. Currie of Amarillo will appear on the banquet program with a sketch of the lives of pioneer women who helped to build the foundations for the Panhandle.

Jolly cowboy ballads collected by John A. Lomax, will be read by him.

Senator C. C. Small of Amarillo, and Frank Kell of Wichita Falls will speak on the program, and a reel of pictures showing Panhandle Pioneer citizens in action will be the contribution of C. Don Hughes of Amarillo.

The banquet will be held at Cousins Hall, April 8.

There will be no morning session of the Historical Society members this year, but the afternoon session will begin at two o'clock, will give ample time for business, conferences and election of officers. A paper by Floyd Studer, amateur paleontologist of Amarillo will be a special feature of the afternoon program.

All persons who are interested in Panhandle history are invited to be present at the meetings on April 8, whether they are members of the Society or not. Usually there are many people in attendance from points all over the Panhandle-Plains region and as far away as Fort Worth.

Humphreys Talks on Ideals of Rotary at Luncheon Tuesday

John S. Humphreys, chairman of the Attendance Committee, spoke Tuesday at the luncheon of the Canyon Rotary Club on the ideals of Rotary.

The Canyon club will return the visit of the Panhandle Rotary Club on April 15th and put on the program at Panhandle.

Visitors Tuesday were W. S. Norman and A. E. Gosnell of Amarillo, Marvin Terry of Plainview and Clarence Thompson of Canyon.

The birthday of Levi Cole on April 1st was recognized.

Mr. Humphreys stated that the ideals of Rotary should be frequently restated in order that the members be kept informed of its aims and objects. The spirit of Rotary is high. "He profits most who serves best" is a fine motto. Business cannot succeed without profit, but mere profit is not all there is to business. Rotary admits the principle of profit, but calls attention to the more than profit in business.

Mr. Humphreys praised the fine spirit of friendship which was shown in the local club, as well as in the inter-city and district meetings. Through the international meetings a world-wide vision of peace was seen.

Mr. Humphreys called attention to articles in the monthly publication, The Rotarian. He stated that he read many magazines, but none had more thoughtful articles than does the official organ of Rotary.

Local Citizens To Have Homes Remodeled Soon

Building permits were issued by City Secretary Harvey Cash the past week to two Canyon citizens for remodelin work to be done on their homes.

Mrs. Mattie Dunaway is having a sunroom and bath added to her residence at 1316 Fifth Avenue at an approximate cost of \$800. The addition will be modern and very attractive.

W. A. Warren has made arrangements for a sleeping porch and a garage to be built at his home at 1814 Third Avenue. This remodeling and new building will amount to \$300 in improvements.

John W. Sharman and family of Long Beach, Calif., visited last week in the homes of his brother, W. P. Sharman, and his sister, Mrs. R. E. Harter.

APRIL 3 TO 9 IS SET ASIDE AS CLEAN-UP WEEK

CITY AND WOMEN'S CLUBS CO-OPERATE IN PLANS.

Mayor Bellah Issues Proclamation For Campaign; Citizens Are Asked to "Clean-Up."

The annual Clean-up Campaign which is sponsored each spring by the City of Canyon in co-operation with the City Federation of Women's clubs is getting off to a flying start and plans have been completed towards the work which is to be done during the week of April 3rd to 9th inclusive.

Mayor R. A. Bellah has issued a proclamation designating next week as "Spring Clean-Up Week" and giving reasons why this campaign should receive enthusiastic support from every citizen of Canyon. The proclamation says in part, "A city that is clean and beautiful creates cheer and vanishes gloom. Cheer produces courage and confidence. Every dollar in property destroyed by fire, which so frequently is the result of careless housekeeping in the home and in the average place of business, is a serious drain upon our present economic condition. Every job created in connection with the Clean-Up Campaign not only develops better fire protection, but supplies better sanitation and public health."

The campaign is being conducted early this year in order that every home and property owner may have their premises cleaned up before the beginning of hot weather. Trash may be piled in the alleys and the city will furnish wagons to haul the refuse away.

It is especially urged that property owners clean up chicken and cow lots so that the flies may be eliminated this summer.

Those who have vacant lots are asked to clean up trash and have the weeds cut. This will lessen fire hazards as well as beautify the city.

Home owners will also help in the campaign by planting more spruce, the official shrub of the city of Canyon.

New Grocery Is Opened North Side of Square

A new grocery store was opened this week by Golden Green and Porter Pierce in the S. V. Wirt building on the north side of the square, formerly occupied by the Ray V. Davis studio. The new concern is to be known as the P. & G. Grocery.

The building has been equipped throughout with the most modern grocery fixtures and the lines carried will be high quality, nationally known merchandise. Both Mr. Green and Mr. Pierce are thoroughly experienced in the grocery business as both have managed stores in Canyon and elsewhere.

"Consistently low prices on staple and fancy groceries will be featured throughout the store," said Managers Pierce and Green in speaking of their enterprise.

Adult Girl Scout Troop Organized With 22 Members

Twenty-two girls met Thursday morning at eleven o'clock for the purpose of organizing an Adult Scouting Troop. Thelma Brummett, who has charge of the work, discussed some of the plans and projects to be carried out in the course; and three patrols were organized with Floy Shaw, Mary Orton, and Elizabeth Jameson as patrol leaders. An assistant patrol leader and a scribe were also selected for each patrol.

These girls expect to do a great deal of interesting work this quarter which will help them later in organizing scout troops when they become teachers. All those interested in this work are invited to join the troop at its next meeting at 5:30 o'clock Thursday afternoon in the office of the Dean of Women.

REV. HILBURN TO AMARILLO
Rev. T. B. Hilburn of the Methodist Encampment grounds, was called to Amarillo Monday to assist in the funeral services of Mrs. Tom Stanley who died at a hospital there Sunday. Services were conducted at the Polk Street Methodist church.

Mr. and Mrs. Kermit Schramm of Amarillo visited Monday in the home of Misses Olive and Belle Schramm.

News dispatches from Austin the past week stated that the Railroad Commission had entered an order to reduce the gas rates in the city of McLean from 50 to 30 cents. The McLean News of last Friday states that the Commission denies this report, and that no order has been issued. Pat Neff held a hearing several months ago in McLean on gas rates, but no action has been taken. In the meanwhile, people of Canyon have wondered what has become of the investigation of the Mayor's committee, appointed some time ago. The committee found that nothing could be done until the engineers employed by the Railroad Commission had made a report as to the cost of gas delivered at the city's gate by the pipe line company. The engineers made a survey last fall, and a report is expected at any time. When this report is filed, the cities which are served by the pipe line company will then have an accurate cost which should be applied to gas delivered at the gate of the various cities, and then steps may be taken to ascertain whether or not the distribution charges are too high, as now being charged to the people for gas. The Mayor's committee, composed of himself, C. N. Harrison and C. R. Flesher, feels confident that all possible haste is being taken, and that when the engineers' report is finally made on the pipe line costs the towns will be in position to pass intelligent ordinances on gas rates that will stand the test of the courts.

Two important elections will be held in Canyon during the coming week—the school trustee election Saturday, and the city election on Tuesday. Every voter in Canyon should go to the polls and cast a vote in these elections. If the democratic form of government is to be a success, then the intelligent people must vote. The average citizen says, "Oh, what's the use. THEY will elect some one unfit for office." You hear this after every election. Yet this fellow who is complaining, and who brags about his super-intelligence and ability to select capable officials will never take the trouble to go to the polls and express his choice. It is a shame, and almost a disgrace that not fifty percent of the voters of the United States will go to the polls. Only about half of the voters went to the polls in the last general election. In Germany 83 percent of the voters went to the polls in the recent national election. In city and school elections, usually about one-third of the voters take time to vote. If we have poor local institutions, as a lot of people think and say, and poor government as a whole, it is because those who should take an active part in elections are too lazy or too indolent to express an opinion at the polls. Every citizen in Canyon has a vital interest in the welfare of the schools and of the city government. Vote in these elections the coming week. Then if your candidate is not elected, you will have no alibi as to the choice of the majority.

Politics played the major part in the defeat of the sales tax in congress this past week. The boys in the House of Representatives were afraid of their jobs, and therefore defeated the proposal. It was dubbed a nuisance tax—which may be applied to all taxes that a citizen has to pay, as there is no just tax, excepting the one which is strictly imposed upon the other fellow. The sales tax may be bad, but the more we study the question, the more convinced we are that it is a just tax, easily applied and collected. The gasoline tax is paid by all without trouble or inconvenience. In principal the sales tax is the same—but it is evidently ditched for this session, unless the appeal of Speaker Garner and the appeal of Republican leaders will restore it in the tax bill. The House did well to include in the bill the import tax on crude oil, which the oil industry has been demanding. It means much to the oil producing sections of the United States, especially to Texas at this time. The revolt against the administration and Democratic leadership was not along party lines, therefore it was not a real test of the strength of John Garner as a party leader.

The West Texas Chamber of Commerce has become unpopular with the ex-service men by opposing the payment of the soldiers' bonus at this time. The government faces a two billion dollar deficit. Congress will have to choose between two things; either help the individual ex-service man with the cash at the present time when he probably needs the mon-

ey very badly and push the national government further in debt, or let the individual go and keep the national government out of further debt. It will not be an easy task for congress with an election coming on. President Hoover vetoed the last cash bonus bill, but it was passed by congress over his veto. He has since appealed to the American Legion to not ask for more money under present conditions. The West Texas Chamber of Commerce is being harshly criticized for taking any sort of a stand on the bonus bill. Regardless of sentiment, the proposal of the W. T. C. C. shows that men in this section are studying the tax problem, and are not afraid to tackle questions which they know will be very unpopular with citizens in the territory.

Every session of congress produces about 1,000 new laws; the various state legislatures add annually approximately 12,000 more laws; the courts are turning out 175,000 printed pages of opinions annually. America has more laws than any country. What we need is the enforcement of old law rather than passage of new ones. Governor Sterling has been announced by one of his close friends as a candidate for re-election. So far the Governor has talked both ways; that he would, and that he wouldn't be a candidate. Those who know the trials and tribulations of being governor and even holding office during trying times like these will appreciate just how the Governor feels about making a campaign this year.

The other day when the wind was whirling it up, and the air was full of sand and dust, which crept through the cracks around the doors and windows, and seemed almost to be driven through the solid brick walls, Panhandle folks were completely disgusted with the country, and a lot of them would have left if they could get away. But the next morning told of the wreck and ruin of the storm in other sections. Whenever there is a hard wind in the Panhandle, you may look for a real storm some place else. The Panhandle winds simply blow so hard as to take all the twist out of the would be twisters, should one come along in this section. Come to the Panhandle to live.

The Texas Garner-for-President committee has done the wise thing in refraining from petitioning other states to send Garner delegates to the national convention. Texas will send a solid Garner delegation. If the cards so fall that a compromise candidate is to be selected, then the Speaker will be in line. In the meanwhile, Roosevelt continues to gather in the delegates from the states which is making selections. The proposal of Al Smith to stop Roosevelt does not yet seem to be effective. However, two-thirds is a mighty big number to secure before the convention.

Tax authorities say that 84 percent of all taxes are local in nature. However, the average taxpayer curses the state and national governments for his big tax bills. In times like these expenses must be reduced, and the place to start the big reduction is in the various localities. The state is going to do its part when the legislature meets next January. There will be no great relief from taxes, however, until local governments cut their costs in operation and pay off the bonds which are outstanding.

During the campaign for governor two years ago Jim Ferguson did the speech making for Ma, and Walter Woodward and others did it for the Ross Sterling. Now that Ma and Ross are again opponents we propose that they be forced to do their own campaigning. It would be a fine spectacle to see Ma and Ross compelled to go on the public stump day after day over Texas, appealing to the voters of Texas.

England's drink bill is \$32 per capita. Even the high prices of bootleg liquor in this country does not equal this amount. Yet the wets say it is cheaper to have legitimate liquor for sale in the saloons than to have the bootleggers.

The City of Canyon has decreed for a Clean-Up Week. Let's go about it with might and main, and give Canyon a thorough and complete cleaning up with the advent of spring.

Sunny Hill News

Easter has come and gone. The weather was fair although a little chilly.

People of Sunny Hill community are justly proud of their teachers and pupils. Such a record as they made at the Interscholastic meet is something to write home about. Of the thirteen loving cups offered, Sunny Hill won nine of them, and so many blue and red ribbons. Needless to say, the pupils could not have made this splendid record without the help and supervision of their teachers. Mr. and Mrs. Rex Roby. Three cheers for Sunny Hill!!!

Six Men Lead in Race for Democratic Presidential Nomination

TWO men who grew up in the Texas plains, one who as a youngster trod the sidewalks of New York, a son of a West Virginia doctor, a fifth cousin of President Theodore Roosevelt and a son of a Maryland judge, are leading candidates for the Democratic presidential nomination.

The Texans are John Nance Garner, speaker of the House of Representatives, and "Alfalfa Bill" Murray, governor of Oklahoma. The former, son of John N. and Sarah O. Garner, first saw the light of day in Red River county, Texas, Nov. 22, 1869.

With only six months' schooling, except for his law studies, Garner at 20 became a member of the bar and editor of a newspaper. Then, because he wanted another job, he became a judge, then a member of Congress. He was elected to the House in 1903, where he acquired a reputation as a smart strategist. His wife was formerly Ettie Rhelmer, his secretary. They married in November, 1895, and have no children.

COLLINSVILLE, Tex., has the honor of being the birthplace of Governor Murray. Born Nov. 21, 1869, the son of an itinerant Protestant preacher, "Alfalfa Bill's" mother died when he was two. He ran away from home at 12, and worked outdoors at odd jobs for several years. Then he worked his way through College Hill Institute, and, in rapid succession, became newspaper agent, school teacher, editor, lawyer, farmer, historian, South American colonizer, rancher and ninth governor of Oklahoma.

As legal adviser to the governor of the Chickasaw (Indian) nation; chairman of the first Democratic state convention; speaker of the Oklahoma House of Representatives, and member of the 63rd and 64th Congresses, Murray reaped considerable political experience. Incidentally, he helped write Oklahoma's constitution. Murray married Mary Alice Hearrell, niece of the governor of the Chickasaw nation, July 19, 1899.

FRANKLIN D. ROOSEVELT, the son of James and Sarah Delano Roosevelt, was born at Hyde Park, N. Y., Jan. 30, 1882. He graduated from Harvard in three years. Admitted to the bar, he practiced law. Roosevelt then became a member of the New York state Senate, wartime assistant secretary of the U. S. navy, Democratic nominee for vice president in 1920, and governor of New York in 1928.

He married Anna Eleanor Roosevelt March 17, 1905. They have five children: James, Anna, Elliott, Franklin D., John A.

NEWTON D. BAKER was born in Martinsburg, W. Va., Dec. 3, 1871. He planned to be a surgeon, as his father was, but abandoned this ambition because of poor vision. He studied law at Washington and Lee University and began law practice at Martinsburg, later moving to Cleveland, O., where after a time he became mayor.

He served as secretary of war under President Wilson, and later became member of President Hoover's law enforcement commission. He married Elizabeth Leopold of Potstown, Pa., on July 5, 1902, and they have three children: Elizabeth, Newton D., and Margaret.

A NEW YORK CITY tenement was the first home of Alfred E. Smith, born Dec. 30, 1873, the son of a truck driver. "Al" sold newspapers, sang and danced, gained reputation as cyclist, amateur actor and an Irish wit. Tammany Hall smiled on him and he became clerk in the office of commissioners of jurors; at 30 he entered the state legislature; he served as Democratic leader in the assembly, speaker of the assembly, sheriff of New York county, president of the board of aldermen, governor for four terms and, in 1928, candidate for president.

Smith married Catherine A. Dunn of New York in 1900, and they have five children: Alfred E., Emily, Catherine, Arthur and Walter.

ALBERT C. RITCHIE was born in Richmond, Va., Aug. 29, 1876. Born to a wealthy and distinguished family, he was carefully reared and educated. He studied at Johns Hopkins, secured a bachelor of arts degree and later graduated from University of Maryland law school.

He was assistant city solicitor of Baltimore, people's counsel before the Maryland Public Service Commission, attorney general, delegate to Democratic national convention four times and, since 1920, governor of Maryland. Divorced, he lives in Annapolis, Md.

TO THE VOTERS OF CANYON There are basic issues we endorse, to-wit:

1. Strict economy.

2. Lower taxes—estimated 20%.

3. More liberal water service.

4. Lower Public Utility rates to city and patrons.

5. Maintaining efficient fire and police departments.

6. In employment: the principle of Anti-Nepotism law, and "merit-system" should obtain.

(a) Home taxpayers considered first.

(b) Perdiem of committees or boards, three dollars.

7. Street service reorganized; to use more men lessening "Dole System."

8. Open Forum meetings (suggested) quarterly.

9. Oppose sale of water system.

10. Any new adventure "Pay-as-we-go" policy should feature.

An aggressive commission can make the above program function for Canyon's good, morally and economically. Shall it be done.

Many marry because they dislike to go around alone and some get divorces for the same reason.

You have got to tell 'em if you want to sell 'em! ADVERTISE!!

Most people make the mistake of thinking they must give from \$50 to \$100 or not give at all, but, as L. F. Sheffy, secretary of the Society, points out, it would be better off if all the donations were small. If every contribution was for just one dollar, 25,000 donors would have a part in the erection of the new building, which, by the way, will be the first museum building in Texas. The larger the number of donors there are, the greater will be the interest in the museum and the more will it tend to become an inseparable part of West Texas life. It is estimated that there are over 16,000 W. T. ex-students, and if half of them were to contribute one dollar a piece the building fund would soon be complete. Surely they wouldn't miss a dollar or five dollars, and their small investments would pay big dividends to posterity. It has been suggested that even the students might be glad to give the loose change in their pockets to such a worthy cause. It may be a long time before the Society may have another such chance to put this thing over, and it would be a shame if the project were to fall through with the goal almost within reach. Mail your contribution today either to the Panhandle-Plains Historical Society, Canyon, or to T. D. Hobart, president of the Society, Pampa, Texas.

MR. AND MRS. COSTLEY ENTERTAIN THURSDAY

A lovely party was given Thursday evening at the home of Mr. and Mrs. Glen Costley north of the city with Mr. and Mrs. Costley as hosts to the members of Les Joyeuse Femmes club and their husbands.

Easter colors and designs were used in the entertaining rooms where seven tables were placed for bridge. Following the rounds of play a delicious refreshment course was served.

Those present were: Mr. and Mrs. Arthur Olson, Mr. and Mrs. John Dickinson, Mr. and Mrs. Harry Burrus, Mr. and Mrs. Frank Garrett, Mr. and Mrs. Jack Foster, Mr. and Mrs. Crowley, Mr. and Mrs. John Haines, Mr. and Mrs. Albert Byars, Mr. and Mrs. Tom Gerold and the following from Amarillo: Mr. and Mrs. C. B. Hardin, Mr. and Mrs. Wayne Fulton, Mr. and Mrs. I. N. Dillard and Mr. and Mrs. H. O. Baker.

A. U. U. W. MEET MONDAY EVENING

The regular meeting of the A. U. U. W. will be held at the home of Miss Mary E. Hudspeh next Monday evening, April 4. Miss Angie Debo and Miss Militia Hill will be hostesses.

City business, legislative and executive; cooperative voting does things. Ballengee.

M. E. RHOADS, JR. HAS EASTER PARTY

M. E. Rhoads, Jr., and his young friends celebrated in a large way Saturday afternoon when his sister, Mrs. Levi Cole, entertained with an Easter party at her home, 1102 Seventh Avenue.

Brightly colored eggs were hidden about the house and lawn and some time was spent in searching for them. At the refreshment hour the young folks were ushered into the dining room where the table was attractively decorated in Easter designs. Refreshments of cake and cocoa were served.

Guests present were: Geraldine Small, Agnes Wray Smith, Mollie Ziegler, Lola Maye Smith, Mary Carolyn Black, and Bobby Black. Mrs. Cole was assisted by little Miss Bettye Guthrie.

MRS. T. W. ZIEGLER IS HOSTESS TO BLUEBONNETS

Mrs. T. W. Ziegler of 1109 Seventh Avenue, entertained the members of the Bluebonnet club with a delightful meeting at her home Thursday afternoon of last week. The hours were spent in sewing and at the refreshment hour a tasty dessert course was served.

Those attending were: Mrs. George Small, Mrs. L. R. Hudson, Mrs. W. H. Upchurch, Mrs. Jay Prichard, Mrs. Finis Smith, Mrs. Mack Elliott, Mrs. Levi Cole, Mrs. G. W. Seay, Grandmother Ziegler and Mrs. Edwards of Colorado.

REBEKAHS HEAR REPORTS ON GRAND LODGE TUESDAY

Mrs. Winnie Louder, assisted by Mrs. Marie Hair, gave a very interesting report on the meeting of the Grand Lodge at Waco at the business session of the local Rebekah lodge Tuesday evening.

Mrs. Louder stated that one of the most important events at the meeting was the passing of a resolution admitting children of widows who are Rebekahs, but whose husbands are not Odd Fellows, to the lodge orphanages. The resolution also made it possible to admit Rebekahs whose husbands are not Odd Fellows to the Old Folks home supported by the Odd Fellow Lodge.

The lodge welcomed Mr. and Mrs. S. F. Bengie who have been absent some time.

After the business session, Mrs. Minnie Laughery and A. K. McBride served refreshments of sandwiches, angel food cake and lemonade.

Those present were: Mrs. Bartie Strain, Mrs. Lucy Brown, Mrs. Marie Hair, Mrs. Ruby Tanner, Mrs. Mary B. Weeks, Mrs. Margaret Cole, Mrs. Winnie Gibbs, Mrs. Pinkie McBride, Mrs. Nannie Myers, Mrs. Myrtle Stratton, Mrs. Helen Bengie, Mrs. Minnie Laughery, Mrs. Winnie Louder, Miss Maye Warren, Miss Columbia Redfearn, A. K. McBride and S. F. Bengie.

All members are asked to bring a copy of the constitution and by-laws to the meeting next Tuesday evening as a study of the laws is to be led by Mrs. Stratton. The meeting hour has been changed from 7:30 to 8 o'clock.

JUNIOR STUDY CLUB MEETS MONDAY AFTERNOON

Members of the Junior Woman's book club conducted a round table discussion on the subject "Prison Reform and the Prevention of Crime," prior to the regular lesson at the meeting of that organization Monday afternoon.

Mrs. Harry Wood, as lecturer for the day, prepared an excellent paper on "Development of Schools in Texas."

Those present were: Mrs. Carl Scott, Mrs. W. E. Miller, Mrs. Levi Cole, Mrs. Harry Wood, Mrs. Claude Moore, Mrs. A. K. Goodman, Mrs. H. W. Hartman, Mrs. J. Madison Daugherty, Mrs. Mitchell Jones, Mrs. Jack Boutwell, Mrs. J. A. Edwards, Jr., and Mrs. M. L. Barnard.

EASTER EGG HUNT AT TANNER HOME

Miss Leo Tanner and Miss Florine Bowman entertained the youngsters of the Primary department of the Baptist Sunday school with an Easter party at the home of Miss Tanner Saturday afternoon. Numbers of brightly colored eggs were hidden and the hours were delightfully spent by the kiddies in searching for them. Candy eggs were served during the afternoon. About twenty guests were present.

DELIGHTFUL PARTY AT GANO HOME THURSDAY

Entertaining members of the Lucky Thirteen Night club, Mr. and Mrs. O. W. Gano and Mr. and Mrs. A. R. Eastwood were hosts to six tables of bridge at the home of the former couple, 2004 Fifth Avenue, Thursday evening.

A delicious two course dinner was served at 7:30 and games of bridge were enjoyed during the remainder of the evening. An Easter motif was developed in the table accessories and refreshment courses.

Seated were: Mr. and Mrs. Joe Black, Mr. and Mrs. Roscoe Davis, Mr. and Mrs. J. L. Duflet, Mr. and Mrs. Mark L. Foster, Mr. and Mrs. Frank Hicks, Mr. and Mrs. Burt Newlin, Mr. and Mrs. Hud Prichard, Mr. and Mrs. G. A. Farlow, Mr. and Mrs. Ed Mickle, Mr. and Mrs. Andy Walsh, and Mrs. Frank Phillips.

MRS. J. J. WALKER ENTERTAINS THURSDAY

Easter bunnies and chicks were attractive notes in the rooms of the Walker home when Mrs. J. J. Walker entertained the members of the As You Like It club Thursday afternoon.

Tables were placed for bridge with accessories carrying out still further the Easter motif. A dessert course was served following the games.

Those participating in the play were: Mrs. William Ash, Mrs. Harris M. Cook, Mrs. N. E. McIntire, Mrs. T. M. Moore, Mrs. Clyde McElroy, Mrs. John Fry, Mrs. Dan K. Usery, Mrs. Lottie Williams, Mrs. F. E. Savage, Mrs. D. M. Stewart, Mrs. Chas. Fletcher, Mrs. Earl Robbins, Mrs. Burt Newlin, Mrs. M. L. Sadoris, Mrs. T. B. McCarter and Miss Nora McCarty.

BERNARD WARREN HAS EASTER PARTY

Master Bernard Warren, son of Mr. and Mrs. W. A. Warren, entertained a number of his young friends with an Easter party at the Country club Sunday afternoon.

Following a hilarious Easter egg hunt, the young folks were served cake and ice cream.

Those present were: Christine Jarrett, Ida Martha Plerle, Helen Whittenberg, Martha Jo Newlin, Mary Claire Barnett, Hal Harrison, Eugene Newberry, Dinsmore Mickle and Berry McCarter.

CANYON CITY CLUB NEWS

Twelve golfers of the Happy Club visited the Canyon City Club recently; the visitors were defeated in nine of the twelve matches. Cope, Gaines and H. Townsend of Happy defeated Gamewell, Reeves and Shotwell, respectively.

The other matches were: Craig vs. Arnold; Prichard vs. W. Walburg; Bryant vs. Bill Townsend; Foster vs. Lemmons; Hartman vs. T. Walburg; Neff vs. Hagood; Terrell vs. B. Walburg; Mickle vs. Magness; Duflet vs. E. Walburg.

It has been suggested that a committee be appointed to select members of the Club to represent it in contests and to assign those selected to their places on the team. Last season's experience showed that most golfers are too modest to think they can do justice to the Club against the opposing clubs' best players.

Flickers, Robins, Bluebirds, Cedar Waxwings, Juncos and Flycatchers are visiting the Club in numbers. A Red Bird was heard singing Easter selections Sunday, and he was doing a good job, too. Birds are protected at the Club by law: no firearms, air guns, slingshots, nigger shooters, bow and arrow, or similar contrivances are allowed on the grounds.

Mr. Condon should be congratulated on the condition of the grounds along the creek. It may be seen to better advantage now than for a long time; weeds and underbrush have been cleared away, making a walk along the banks most enjoyable.

A few families of the golfers from Happy enjoyed the play grounds and creek Sunday, while the match was in progress.

The Club was organized in 1906 and there are still six charter members belonging to and enjoying it. Those members are: Mrs. L. G. Conner, Mrs. I. N. Hix, S. V. Wirt, T. C. Thompson, Oscar Hunt and C. R. Burrow.

Isn't it hard to laugh when you miss a thirty inch putt?

Jowell Items

The parents and visitors enjoyed the health program given by the pupils Friday afternoon.

Mrs. J. J. Leavitt underwent an operation at Amarillo Saturday. Last reports were she was getting along all right.

Rev. Linley is holding revival meetings here this week. Every one is invited to attend.

Mrs. Mary Burtz and daughter, Ruth, spent the week end with Mrs. Earl J. Davis.

An Easter Egg hunt was given at the home of Mr. and Mrs. Warren Landrum Sunday.

Ben Landrum is on the sick list this week.

Rev. Linley and wife were dinner guests at the O. M. Scott home Sunday.

Mr. and Mrs. A. L. Glenn and daughter, Ruth, visited Mr. Glenn's father at Arney Sunday.

Mr. and Mrs. Curtis Robertson visited Mrs. Robertson's sister, Mrs. Stacey Howell Sunday.

Mr. and Mrs. Roy Byrd of Amarillo visited Mr. and Mrs. O. M. Scott Sunday.

The following have been having trouble with their windmills lately: A. L. Glenn, M. W. Dooley, C. B. Fewell, C. W. Fewell.

Lois Parker spent the week end with her mother, Mrs. Claude Terrell.

Mrs. Bill Simms and the Leavitt children visited their mother in Amarillo Sunday.

Mr. and Mrs. Earl Burtz visited at the C. B. Fewell home Friday.

Mr. and Mrs. Sydoski and family visited at the Dietz home Sunday.

An Easter Egg Hunt was given at the G. J. Bonds home Sunday.

Mr. and Mrs. Charlie Adams spent Sunday with Mr. Adams' sister, Mrs. A. D. Fewell.

If you teach your child to fear you, in time it will learn to hate you, and its disposition will be warped.

MRS. NETTIE EASTWOOD IS HOSTESS TO CIRCLE

Mrs. Nettie Eastwood was hostess to the members of the West Circle of the Baptist church at her home Tuesday afternoon. The rooms where the guests were received were attractively marked with pot plants of various kinds.

Mrs. J. J. Pinson called the meeting to order. A number of songs appropriate to the Easter season were sung with Mrs. Eastwood at the piano. The Bible study was found in Jeremiah. Next Tuesday's lesson will begin at the 47th chapter and finish the book.

Members attending were: Mrs. S. B. McClure, Mrs. R. W. Ratcliff, Mrs. J. J. Pinson, Mrs. Charles Stratton, Mrs. I. M. Steen, Mrs. A. N. Burgan and the hostess. The circle will meet Tuesday, April 5, at 2:30 o'clock with Mrs. R. W. Ratcliff. All members are urged to be present.

HOSEA FOSTER IS HONORED ON BIRTHDAY

Honoring her brother, Hosea Foster, Miss Lenna Foster entertained with a dinner bridge at their home, 610 Fifteenth Street, Friday evening.

The attractive table was laid in white and centered with a large birthday cake. Easter decorations in a color scheme of pink and white were used on the table and about the rooms. A delicious four course dinner was served.

Bridge and dancing formed the diversions following the serving hour.

Those present were: Hosea Foster, guest of honor; Miss Josephine Flenniken, Miss Maurine Spradley, Miss Dorothy Cash, and Messrs. Joe Jennings, Woodrow Hazlewood, and Mr. and Mrs. Robert Foster.

BRIDGE-DINNER IS GIVEN TO SENIORS BY SHEFFY

Seniors of '32 were most graciously entertained with a bridge-dinner at the home of their sponsor, Mr. L. P. Sheffy, Wednesday and Thursday evenings, March 23 and 24. A delectable dinner consisting of boiled ham, parker house rolls, creamed potatoes, peas, pickles, salad, coffee, ice cream, and cake were served to the guests. Bridge followed dinner.

GIRL SCOUT TROOP TO VISIT CANYONS

The Girl Scouts of the Thistle troop will have the pleasure of an all day trip to the canyons Saturday. They will be in Ceta canyon from the sound of Revellie Saturday morning until the echo of taps fades away that night.

Miss Goodrich says she is planning an excellent time for the girls. She has secured the aid of the Wranglers and intends to spend a great deal of time on scouting activities throughout the day. The girls will receive instruction in cooking, archery, signaling, and nature study.

MRS. FINIS SMITH ENTERTAINS SOCIETY

Mrs. Finis Smith of 1106 Seventh Avenue was hostess to the members of Circle 3 of the Baptist Missionary society Tuesday afternoon.

Thirteen members answered roll call. Following the devotional and lesson refreshments were served and a social half hour enjoyed.

METHODIST SOCIETY TO MEET TUESDAY

The Methodist Missionary society will meet in their regular monthly business and bulletin meeting, Tuesday afternoon, April 5, at 3 o'clock in the ladies parlor of the Methodist church.

LOVELY EASTER AFFAIR AT C. N. PRESLEY HOME

An Easter affair of unusual attractiveness was given Thursday evening when Misses Pauline and Irene Presley entertained with a dinner bridge at their home, 1210 Sixth Avenue.

The table was laid in ecru lace over pink satin and centered with a pot of tulips. Easter bunnies marked each place. A pink and green color scheme was carried out in the dinner courses.

After the serving hour bridge was enjoyed during the remainder of the evening. Tallies and game accessories were also in Easter designs.

Seated were: Miss Joan Wallace, Miss Winnie Davis, the hostesses, Misses Irene and Pauline Presley and Messrs. Seymour Rusk, Bailey Bandy, Otis Burk and Delbert Lowes.

MISS LENNA FOSTER IS HOSTESS SATURDAY

Miss Lenna Foster entertained Saturday with a lovely party at her home, 610 Fifteenth Street. A pastel color scheme was followed in the decorations.

Tables were placed for bridge and following the games a delicious salad course was served.

Guests present were: Miss Ethel Ruth Collins, Miss Ruth Wiseman, Miss Mary S. Martin, Miss Mildred Bishop, Miss Mary M. Martin, Miss Lillian Chambers and Miss Dannie Mac Stewart.

THE SOUNDS I LIKE TO HEAR AT NIGHT

The following was the winning essay in the Randall County contest, written by Frances Eve Marshall of the Palo Duro School.

At night, when the gentle refreshing breezes blow about the sleeping flowers and the crickets play their cheerful tunes around the hearth, there is nothing more delightful to tired nerves than soft music—music that plays on the heart strings, music to quiet the restless soul.

Seated in an easy chair, I like to listen to the sad wailing song of the lonely banjo, strumming out its melodies into the quiet night. It seems to be waiting and longing for something as the sad, sweet notes peal forth.

I like to listen to the soft, steel guitars of the Hawaiians as they drift lazily from one melancholy strain to another, always dreamily, musically and enchantingly sweet.

As I lean my head back on soft pillows, I like to hear violin music to quiet and soothe tired, sad souls. For what is as soothing to the soul as the tender heartfelt melodies of a violin?

I love to lie awake, listening to the cold wind rushing through the tree tops, or whistling around the house corner. What sad lonely-some melancholy sound it makes!

I love to listen to the crickets chirp. It gives one a sense of peace, listening to its contented sounds.

What is more soothing at night than a mother's lullaby, hushing her crying infant, and crooning it to rest with the sad, sweet songs that only a mother can sing.

BAPTIST CHURCH

Dr. Harris M. Cook will speak at the 11 o'clock hour at the Baptist church Sunday morning. All regular services will be held as usual. The public is cordially invited to attend.

Mr. and Mrs. D. M. Thomas and daughter Velma, visited in Amarillo Sunday.

BUFFALO SCOUT TROOP IS REORGANIZED

Last Thursday night ten girls met at the Demonstration Building to reorganize the Buffalo Troop. Most of these girls are new inexperienced scouts, eager to enter the work. At the next meeting, tonight at 7:00 o'clock, they hope to organize into patrols and begin work. They will need around fifteen girls in the troop before they organize completely. Miss Thelma Brummett and Miss Jean Moore who are sponsoring the new troop are very enthusiastic and feel that a good troop will be established.

Prohibitionists Arouse Interest In Speech Series

Those interested in the prohibition question so vitally influencing the nation's politics at the present time were fortunate in hearing Oliver W. Stewart, vice-chairman for the Allied Forces for Prohibition, and Dr. Ira Landrith, chairman of the National Temperance Council, Friday, March 25.

The meetings held here were part of the most extensive effort that has yet been made to marshal the strength of the dry forces. Led by Dr. Daniel A. Polling of New York, the Allied Forces have launched a speaking campaign in behalf of prohibition. The speakers heard here endeavored to discuss what prohibition is accomplishing and what its friends must do to meet the attacks being made on the 18th amendment. Mr. Stewart took the position endeavoring to show the desirability of the 18th amendment, and whether or not the law now enacted should be enforced. He believes the amendment more effective than the regulation of liquor traffic, and endeavored to show that violation of the law does not call for its repeal.

Besides a luncheon for citizens of Canyon, a luncheon for high school and college students was held at the Baptist Church at which time Dr. Landrith addressed, those assembled. An Allied Youth movement was organized, and approximately 100 young people pledged their support. Sue Gates was elected to head the group.

Museum to Receive Old Desk That Has Historical Value

L. F. Sheffy recently received a letter from Judge Henry Bishop of Amarillo stating that he had been authorized to present to the Panhandle-Plains Historical Society, the first desk used by the Judge of the district court of Potter County. The desk is of pine, about six or seven feet long, about thirty inches wide, and stained brown. It has recently been cleaned and re-varnished and is now in the new court house.

Judge G. C. Landis of Amarillo stated that the desk was first used by Judge Willis and then by his successors for a good many years, up until the old court house was vacated for the new one.

Judge Bishop stated that he would have the county truck deliver it to the college free of any charge.

Epworth League Is To Celebrate Bi-Centennial

The Epworth League of the Methodist church plans to celebrate the Washington Bi-centennial in a series of programs at its next three meetings. Next Sunday evening the "cherry tree" scene will be given. This will be followed

by an open discussion on truthfulness and honesty.

In the program for April 10, there will be presented a scene depicting the departure of Washington to war. The open forum will center around the topic of world peace.

On the following Sunday the League will portray a scene from the home life of Washington. This will be followed by a round-table talk on the subject, "What kind of a home would I like to have?"

SWISHER TO CLARENDON

Miss Mattie Mae Swisher, student secretary for the Methodist church, left Sunday for Clarendon where she will direct the music and young people's division in the Methodist church there during a

two weeks' revival campaign. Following the meeting at Clarendon, Miss Swisher will go to Abilene where she will appear on the program of the Northwest Texas Women's Conference and make a report on the religious work being done in W. T. S. T. C.

Lakeside News

The school and community enjoyed an Easter egg hunt at the school house Friday afternoon. Junior Kennon won the prize for finding the most eggs in the primary department, while Merle Ford won the prize in the intermediate department. The prizes were appropriate symbols of Easter and were presented by D. N. Blanton.

The Lakeside P. T. A. met in a short business session Friday afternoon. Mrs. Frank Garrett, Mrs. Albert Byars and D. N. Blanton were elected to attend the meeting at Panhandle, April 7-8. Other members who can be urged to attend this meeting.

Mrs. Andrew Jones, Mrs. D. N. Blanton and Mrs. C. W. Stallings are reported on the sick list this week. We are glad to report that Mrs. Jones' condition is improving.

Loraine Campbell entered school again Monday after an illness of ten days.

A number of the farmers from this community saw the exhibits on the Santa Fe track Saturday.

The following persons visited the school Friday afternoon: Mr. and Mrs. Geo. Schneider, Mr. and Mrs. A. Byars, Mrs. Frank Garrett, Mrs. Florence Garrett, Mr. D. N. Blanton, Mrs. L. T. Campbell, Mrs. Kennon, Mrs. Fred Fegel.

Misses Loraine and Laura Lou Campbell, Misses Fern, Gene and Gwen Byars attended the Easter egg hunt at Bonnie B. Dickinson's Sunday afternoon.

Mr. and Mrs. Albert Byars and daughters were guests of Mr. and Mrs. Ed C. Weeks Sunday evening.

Mr. and Mrs. Lonnie Byars were in the home of Albert Byars Sunday afternoon.

Mr. and Mrs. Strickland of Amarillo visited in the home of Frank Garrett Friday.

PRESBYTERIAN CHURCH.
At the morning service last Sunday Alberta Barnett, Anita McDonald and Mary McCaslin were received into the Presbyterian Church upon confession; and Bobbie Jane, the infant daughter of Mr. and Mrs. Alex Love, was dedicated to the Lord in baptism.

Sunday School opens at 9:45 a. m. Last Sunday there was an increase in attendance of thirty over the Sunday before. Let us see if we can't have as large an increase next Sunday.

The regular 11 o'clock service will be held. There will be no evening service. Morning subject: "The Lord looks on the Heart" (1 Sam. 16:7). We will be glad to have you worship with us.

There's a great difference between getting all you want out of work and getting out of work all you can.

L. N. George Says—

There is no mistake about it, people are coming to college. Eight families will be here this summer from Childress county. Two months ago I prophesied that we would have a hundred families to attend W. T. this summer. Believe it or not, they will be here.

Seventy-five men with families have told me to expect them here this summer. I intend to have a hundred on my list by June 6th, and I shall not have seen them all by then. There are several reasons why we should be interested in this married group. First, these folks are mature and will likely return for several summers. Second, they are leaders and will wield a big influence in their communities. Third, they will bring a vast sum of knowledge to our school and fourth they are the highest type of citizen to have in our community. They will not demand any thing elaborate but they will appreciate courtesies and clean comfortable quarters. I see several Canyon citizens are planning large flower and vegetable gardens. That is fine. A town of flowers does not need a big sign of welcome. The flowers say that better than you or I can.

During the intermission last week Roger George accompanied me and spoke in a number of high schools in Swisher and Briscoe counties. Ronald Davis, a college freshman and C. W. Crosslin county school superintendent of Childress county, assisted in talking to the seniors at Kirkland, Community Center, Childress and Carey in Childress county. The seniors at Estelline, Memphis, Brice and Churchman were also met in Hall county. At each place a high percentage took catalogues and were assisted in arranging their work for college next fall. Regardless of the depression indications are that we shall have a large enrollment next fall.

Wayside Items

Easter Sunday was a good day. Snow fell Saturday night, but soon melted. High winds from the southwest Monday and Tuesday. Sun seems to be darkened with dust in the air. Some clouds with light shower Saturday afternoon.

Rev. Plant gave us good services Sunday after Sunday School. At the close of the sermon in response to an invitation from the pastor, Miss Wanda Harrell, 7 years of age, came forward and signified her intentions to follow Jesus. It was a touching incident.

Easter program during Sunday School hour was interesting and appropriate.

Social Events Prominent In Senior's Life

"An invitation! Oh, it's the faculty giving a forty-two party!" Did you ever hear that expression? Yes, toward the first of the year the faculty gave a forty-two party in honor of the Seniors. There were twelve tables placed in the gymnasium of the Grade School. After a number of games had been played refreshments were served.

One of the most thrilling adventures of the year took place one moonlight night last fall when the Juniors and Seniors met at Beulah Ballengee's, mounted three hay wagons, and rode out to South Creek for a picnic.

Around the first of November the Seniors sponsored a box supper to raise some money to put the football queen over. There ended the class social life but many enjoyable private parties, dances and picnics have been given. The Seniors feel the biggest part of their senior social life is yet to come. Sneak Day, Junior-Senior banquet, are yet to come and are we looking forward to them!

Chapel

Dr. Albert Barnett entertained the student body last Tuesday in chapel. His subject was "The Home of Andrew Jackson." In addition to a very colorful description of the old homestead, Dr. Barnett gave very interesting facts concerning furnishings of the old colonial home.

Chapel for last Thursday was in charge of Mrs. Foster and her music pupils. This program was composed of numbers by grade school students with the exception of two, one of which was by Leona Vetsek, a Senior.

WHAT THE SENIORS ARE THANKFUL FOR

- We, the Seniors, are thankful:
1. That we are not freshmen.
 2. That everyone loves us.
 3. That Willard always minds his own business.
 4. That Anna never acts like a baby.
 5. That we possess dignity and intelligence.
 6. That Ernie is a "wise-cracker."
 7. That Imogene does not "put on" when she talks with a brogue.
 8. That Mr. Carruth is calm-tempered.
 9. That Tyson is the champion marble player.
 10. That the Seniors have selected such an intelligent sounding class play.
 11. That ours is the best class that shall have been graduated from Canyon High School.

SPANISH CLUB

At the meeting of the Spanish Club Monday, the members were entertained by a musical program consisting of "Peanut Venuer," "Ramona," "La Goliandina," and "Gay Caballero."

Seventy-two year old White Plains, N. Y., woman sues railroad for \$35,000 claiming that accident prevented her from dancing, skating and bobsledding. She ought to get more than that—she won't be able to go out for the town basketball team, either.

That Georgia boy who is 7 feet 8 inches tall and still growing, ought to be a big help around the house this spring removing the sparrow nests out of the eaves.

A lot of young folks these days who don't know where they are going apparently haven't time to stop and inquire.

Maybe the reason some men don't pay their bills more promptly is they are afraid the fellows they owe might hoard the money.

Randall County Dairymen Have Banquet Here

The Randall County Dairymen's Association held the annual banquet last Friday night in the High School gymnasium. There were 210 present, and they were served by the girls of the Home Economics Department under the direction of Mrs. Edgar Brandy. This was the largest and most successful banquet to be served by the Home Economics Department.

W. H. Upchurch, County Agent, was the toastmaster. The following people were on the program: Irby Carruth, welcome greeting; M. H. Rockwell, response; Henry Ansley, address. Canyon High School was very glad to serve the banquet, and we are always interested in promoting community socials of all kinds.

COLLECTION WILD FLOWERS GIVEN BY CLAUDIA NEELEY

Miss Claudia Neeley, who teaches at Wilson School, presented the Science Department of the Canyon High School with a collection of wild flowers. This collection is well arranged, very complete, and will prove a great addition to the department.

MUSIC CLUB

The Music Club under the direction of Mrs. Lee Foster was host to the Dramatic Club and their sponsor, Miss Doris Lyn Louder.

Sousa's life and work was the subject of the program. Mrs. Foster, Gladys Mae McBride, Charles Strain and Martha Strain entertained the club with selections from Sousa's compositions.

PRESS CLUB

The Press Club is continuing its study of writers and types of newspaper article. Harvey Thomas gave a talk on "The Form of Follow-Up Story," and Alton Donnell gave an example of the follow-up story. We are to criticize the stories brought in by the members at the next club meeting.

The auto will never be complete until it is fixed so the operator can take a poke at the back-seat driver without losing control of the steering wheel.

Why is it that the first time the average girl falls in love she acts as though she invented it?

Seniors Have Unusual Rec- ord in Sports

Way back in the dim past we see some of our old class mates beginning to take interest in athletics. Our "team" really originated in the seventh grade. During the football season of that year the seventh grade team defeated the High School freshmen in several very unscientific football games.

The following year when we were freshmen, conditions were slightly altered. Wilford Taylor and Clarence Wooten were the most important candidates for the team. Several more of our old friends also tried their luck as basketball players.

In our sophomore year the old gang made a better showing. Several men were being lined up for a football team. It was during this year that Clarence Wooten received his first sweater with the big "C" on it. Later on during basketball season the sophomore team won the intermural tournament.

The first real showing in athletics was made during '31 or during our junior year. The following lettered in football this year:

Wilford Taylor, center; Willard Middleton, tackle; Ernie Wiggins, end; Curtis Bell, guard; Clarence Wooten, quarter.

Several of this number also succeeded in lettering in basketball. J. L. Harden lettered at forward; Wilford Taylor and Clarence Wooten lettered at guard.

Track had its representatives, Wilford Taylor was the miler for C. H. S., and Willard Middleton was the half miler.

The tennis lettermen were: Billie Robinson, Arthur Robinson and Vincent Lockhart.

Our Senior year was the best of all in our athletic history. The Seniors on the football team were: Oliver Grabbe, athletic manager; Cleo Wright, Otho Walker, Tyson Cox, Wilford Taylor, Curtis Bell, Ernie Wiggins, Willard Middleton, Clarence Wooten, J. L. Harden.

Those who lettered in basketball were: J. L. Harden, Cleo Wright, Clarence Wooten, Wilford Taylor, Tyson Cox.

The Senior representative for the track team is our half miler, Willard Middleton.

We are represented in tennis by Arthur Robinson, Vincent Lockhart, Wilford Taylor, Harvey Thomas and Clarence Wooten.

The speedometer seldom tells a lie but is called a liar almost as often as a cook book.

Class History

Long, long ago—11 years in fact, about thirty pupils enrolled in the first grade. As the years passed by and we became Freshmen we were surprised to find that only five members of our first year class were still in C. H. S. Those five stayed together during our Sophomore and Junior years. This year that same five will receive diplomas after their Senior year's work. Those who started and will graduate together from C. H. S. this year are:

Vara Edwards,
Lilla Beth Burroughs,
Wilford Taylor,
Clarence Wooten,
George Schmitz.

RANDALL COUNTY EXHIBIT

The Randall County Rural Schools exhibit was held at the Canyon High School March 25 and 26.

The schools entering the exhibit were: Palo Duro, Sunny Hill, Tierra Blanca, Umbarger, Wilson, Johnson and Zita.

The Palo Duro school is a two teacher school under the supervision of Mr. and Mrs. Virgil Dodson. Mrs. Dodson has charge of the grades through the fourth and Mr. Dodson has charge of the grades from the fifth through the tenth with the omission of the ninth grade.

Some very good work has been done by the pupils of this school and Mr. and Mrs. Dodson are to be congratulated for their excellent supervision.

The Sunny Hill school is a two teacher school taught by Mr. and Mrs. Rex Roby. Mrs. Roby has charge of the elementary grades through the fifth and Mr. Roby has charge of the grades through the ninth grade.

The work done by the pupils of this school is very good.

The Tierra Blanca School is a one teacher school, taught by Miss Berta Hastings. Some very good work has been done by the pupils of this school. Miss Hastings seems to be strong for good English. Some good English work was shown in the exhibit.

The Umbarger School under the supervision of Sister M. Ignatius Price and Sister M. Philomena Price had some very good work in the exhibit.

Some good Home Economics products were in the exhibit of the Umbarger school.

They're making bricks now as light as cork. Perhaps shipment of a load of these to Ireland would clear up the strife over there—you know, a soft answer.

C. H. S. Seniors Will Present Comedy, April 8

The Senior class will present on April 8th a three-act comedy starring Wilford Taylor and Ruth Cox. Plenty of fun and pure enjoyment guaranteed.

Come and see Harvey Thomas as a hard-boiled two-gun western sheriff, and Wilford Taylor as a college graduate. Bring the family.

SENIOR SPONSORS

The Seniors were especially lucky this year in retaining their Junior sponsor, Mrs. Edgar Brady with the addition of Mr. Edgar Brady.

Mr. and Mrs. Brady have won the whole class by their unfailing sense of humor and ever being good sports. Their enthusiasm has been an important factor in the success of the Seniors in both the football queen and carnival queen races.

The Bradys will be one of the Seniors' deepest regrets in leaving C. H. S.

And Athletics in the Lead, Cubs and Yanks Pulling Up in Second

BY PHILIP MARTIN

SINCE the first major league pitch was thrown several weeks ago, I've consulted the crystal ball and had my numbers read, and now am able to tell you how the pennant races will end next September. Here is the official unveiling:

NATIONAL	AMERICAN
Cardinals	Athletics
Cubs	Yankees
Giants	Indians
Robins	Senators
Pirates	Browns
Braves	White Sox
Phillies	Red Sox
Reds	Tigers

The line for those having protests to file forms at the right. Kindly print (don't write) plainly, and on one side of the paper only.

BUT now that the Cards and A's have been selected to lead the field in 1932, why shouldn't they? Is there any reason why they should have slipped? And if they have not slipped, what teams have strengthened sufficiently to oust them from the top?

I like the Athletics because they have pitching—the kind dispensed by Grove, Earnshaw, Walberg, Mahaffey and Rommel; hitting, that long-distance brand supplied by Simmons, Foxx, Cochran, Miller and Haas; and a nicely balanced defense directed by Mickey Cochran, one of the game's smartest catchers.

In the same way, I like the Cardinals' pitching, with Hallahan, Derringer, Rhem, Johnson, Stout, Haines and the rookies Dean, Carleton and Starr. Gabby Street will get good hitting from Watkins, Martin, Bottomley, Frisch and Hafey. His infield is smart and strong defensively. The outfield is fast. Jimmy Wilson, behind the plate, will give the Cardinals expert catching.

In the American League I figure that one team, the Yankees, has a chance to dislodge the Mackmen from first place. The Yanks an-

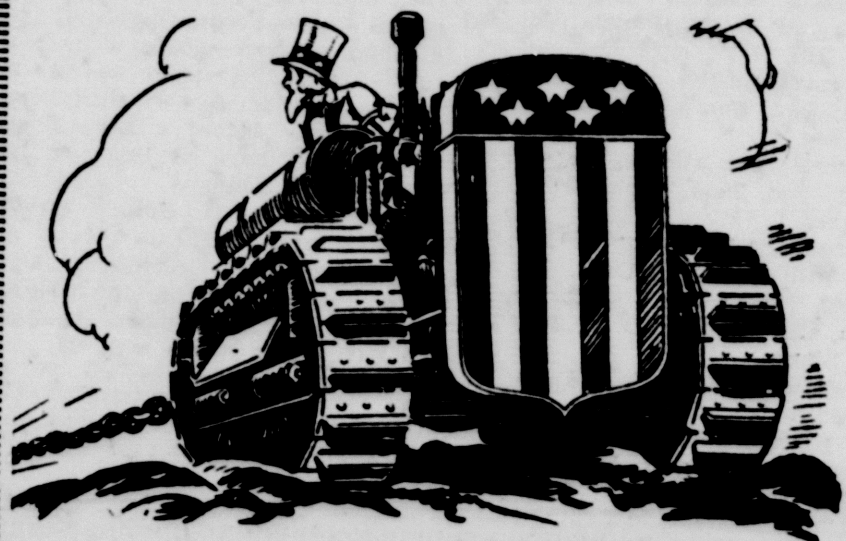

The Cubs, under the direction of Rogers Hornsby, shown at left, should cause the Cards no end of trouble this year; while the Yanks, guided by Manager Joe McCarthy, shown above, should keep Connie Mack's Athletics stepping at a hot pace.

best pitching staff in the National League, providing Malone, Root, Grimes, Bush, Sweetland and May perform in their usual strides. The Cub catching, outfielding and hitting is good. The infield, where two rookies, Stanley Hack and Billy Herman, will play important roles, may swing the tide in favor of the Hornsby clan. If they fail, along with the pitchers, the Cubs may slide into the second division.

Regarding the Giants, the McGrawmen will have balance—good hitting, fielding and pitching. Their success depends on Len Koenecke, rookie outfielder; Hugh Crite, rejuvenated second baseman, and the ability of Mooney, Chaplin and one or two more young pitchers.

At the right, please! The line forms at the right.

ELECTRICITY

Brings Increased Comfort

—What each workman in the U. S. can do with his hands is multiplied ten times by the electric power he uses. Sixty-eight million people are also using labor-saving electrical devices in their homes.

—Electrical service has its greatest value because it is delivered at the time and place where needed. That is what electrical services means, and the foresight and enterprise of the country's light and power companies have helped make it possible.

THE GREAT AMERICAN HOME

METHODIST BROADCAST

The local Methodist Church gave the program Sunday afternoon over WDAG, Amarillo at the hour set aside for the Methodists of the Northwest Texas conference.

In addition to the sermon by Rev. C. E. Jameson, three quartet numbers and a violin solo were given by members of the morning choir.

PROCLAMATION.

By the Mayor

The week of April 3 to 9, inclusive, has been designated as SPRING CLEAN-UP WEEK.

There are many reasons why the Spring Clean-Up Campaign this year should receive the enthusiastic support of every man, woman and child. First, because a city that is clean and beautiful creates cheer and banishes gloom. Cheer produces courage and confidence, and no doubt, most of us are badly in need of both of these attributes at this particular time. Second, because every dollar in property destroyed by fire, which so frequently is the result of "careless" housekeeping in the home and in the average place of business, is a serious drain upon our present economic condition. Third, because every job created in connection with Clean-Up Campaign not only develops better fire protection, but supplies better sanitation and public health. It creates an atmosphere of encouragement.

NOW THEREFORE, I, R. A. Bellah, Mayor of the City of Canyon, do hereby designate the week of April 3 to 9, inclusive, as SPRING CLEAN-UP WEEK and most respectfully call upon all departments of the city, the Chamber of Commerce, Civic Clubs, Patriotic Clubs and our people in general, to take an active part in this Clean-Up Campaign.

I further designate the Fire Marshal and Fire Chief as a committee of two to work with the City Officials in promulgating active committees to carry on this campaign and ask the co-operation of all our people in this enterprising community for a clean city.

In testimony whereof, I hereto sign my name and seal of office, this 17th day of March, 1932.

R. A. BELLAH, Mayor,

Canyon, Texas.

Miami High School Cast Wins First Honors in One-Act Play District One Tournament Here

Win Title by Defeating Quitaque Cast In Finals With "On Vengeance Height;" 13 Schools Enter Annual Contest.

Miami High School won the annual one-act play tournament for District One over the cast of Quitaque High School in the finals Saturday night. The tournament was conducted by C. W. Batchelder of the College Public Speaking Department. Thirteen casts, representing the several counties comprising District One of the Texas Interscholastic League, were entered in the tournament, which started Friday morning at nine o'clock.

Velva Barnett, a Miami High School senior, played the leading role in the play "On Vengeance Height," and proved to be the outstanding player of the contest. She was almost perfect in her portrayal of the old blind mountain woman. Her acting, her singing, and her dialect were superb. The other characters, Lem Kibault, the life-long enemy in a mountain feud; Clay, the grandson of the old lady and only male survivor of the twenty-year old war, and the neighbor girl were very well played.

Panhandle, Friona Contest
The "upper bracket" of the tournament started Friday morning at nine o'clock in the auditorium of the Education Building with the casts of Panhandle and Friona contesting. This happened to be the only two casts that played the same play. The play, "Mansions," was very well played, but someone must win; this time it was Panhandle. The next preliminary in the upper bracket was the contest between the cast of Pampa and Miami high schools. The Pampa cast presented "The High Heart." The play, under the able direction of Arless O'Keefe, a W. T. ex, was nicely presented. The Miami cast won over Pampa with the play "On Vengeance Height."

In the next contest the cast representing White Deer High School played "The Wonder Hat" to win from the Spearman High School cast, who played "Pink and Patches."

The lower bracket started at nine Friday morning in the Canyon High School auditorium with the McLean cast pitted against the Dumas High School cast. McLean presented "The Finger of God" while Dumas presented "Sounding Brass," to win the match. In the afternoon, Canyon high school presented "The Bank Account" to win over Texline, who played "Dust of the Road."

Second Round
The second round of the tournament began Friday night with Canadian High School presenting "The Valiant," only to be defeated by the cast representing Panhandle High School. At the same time, in the Canyon High School auditorium, the Quitaque cast playing "Not Quite Such a Goose" won over the Dumas high school cast.

Saturday morning the Miami players won from White Deer to enter the semi-finals in the afternoon, while at the other auditorium Stratford won from the Canyon high school cast.

In the semi-final plays Saturday afternoon, Miami won over the Panhandle High School cast, and Quitaque won from the Stratford players.

All of the judges for the contest were people from the Little Theatre group of Amarillo. The judges were competent and should be highly commended for their splendid work.

Six Loan Checks Are Received By Randall Farmers

Up until today, nine Farm Production Loan checks have been received by farmers in Randall county. More than twenty applications have been sent in to the office at Dallas. None of the applications have been formally rejected.

There have been considerable difficulties encountered in this and other Panhandle counties in getting loans through the Dallas office because of constant changes in rulings and regulations regarding such loans.

The County Committee is working earnestly to help the farmers in this county to get as many loans through as possible. A representative of the Dallas office was in the city Tuesday conferring with the local committee in an effort to speed up the work of getting these loans through the regional office in order to give faster service in West Texas loans.

Good old days were those when chickens were fed the table scraps that are now made into salads.

J. R. Schwartz Receives Two Year Sentence

The case of the State of Texas vs. J. R. Schwartz which was tried by jury before a special called session of district court with Judge Henry Bishop of Amarillo on the bench, came to a close Monday with Schwartz receiving a two-year suspended sentence.

Schwartz was charged with the sale of intoxicating liquor. The case was tried in the January term of court and then sent to the Court of Criminal Appeals at Austin but was reverted here for a new trial. No other cases came up for trial.

Special Train

(Continued from first page)
vited aboard to view the exhibits without delay, the various specialists answering questions and the crowd passed through the train.

Program arrangements here were in charge of J. D. Tinsley, agricultural agent of the P. & S. F., Amarillo. John R. Edmonds, district agent of the A. & M. Extension Service, was in charge of the speakers group, which included: Miss Minnie Mae Grubbs, district home demonstration agent; Paul A. Cunyus, Extension assistant poultry specialist; Fred Hale, Experiment Station swine specialist; S. D. Snyder, who had charge of the farm electrification exhibit; Prof. T. M. Moore, agricultural department of the West Texas State Teachers College; Mrs. T. V. Reeves, manager, publicity service bureau, West Texas State Teachers College.

Santa Fe representatives aboard included: J. F. Jarrell, manager, agricultural department and editor of "The Earth," Topeka, Kan.; J. D. Tinsley, agricultural agent; P. & S. F., Amarillo; A. M. Hove, special representative of "The Earth," Amarillo; R. W. Prentice, trainmaster, Amarillo.

The special carried four cars of exhibits, one of livestock stressing methods of care and feeding, one of farm electrification appliances and exhibits for use in lightening the tasks on the farm and in the farm home, and two cars of farm and home exhibits, including 4-H pantry work, home industries and home beautification, poultry, dairy, terracing, orchard, and various displays. Operation of the train was by the railway while exhibits and specialists for the most part were furnished by the Texas A. & M. College.

Operation of the farm electrification exhibit was made possible here through cooperation of the local plant of the Texas Utilities Company which furnished power to run the machines.

The varied exhibits aboard dealt with the benefits of improved farming methods, a live-at-home program and how life on the farm may be made more comfortable, happier and of greater profit. The program as a whole featured such general topics as agronomy, beef cattle, dairy cattle, poultry, hogs, sheep and goats, farm electrification, feeding and clothing the family, 4-H club work, yard beautification, rug making and home industries. In the exhibits displayed, visitors to the train found illustrations of the points brought out by the specialists.

In announcing the purpose and nature of the special, J. D. Tinsley, agricultural agent of the P. & S. F., Amarillo, said: "This is not the first agricultural train in the operation of which the Santa Fe has joined with the Texas A. & M. College and other interested agencies. But the exhibits aboard are the best ever carried from the college in such work, they tell in a fine way what the college is doing in helping the advancement of agricultural independence and the Santa Fe, in joining with the college in such an enterprise, feels it is taking the best way to aid in bringing about greater prosperity and better living conditions on the farm."

The Santa Fe operated agricultural trains in Texas in 1923, 1924, and 1928. The 1932 farm and home special is the forty-seventh such train run by the Santa Fe System in cooperation with the agricultural colleges in the twelve states in which it operates. This year's Texas special is a nine-car train.

The train arrived here on the sixth week of an itinerary of nearly eight weeks, including 152 stops on Santa Fe lines in Texas. The tour began Feb. 15 at Navasota, in Grimes county, and will end April 6 at Snyder, Scurry county.

Farming pays in Randall county.

CLUBS TO GIVE COLLEGE DANCES IN SPRING TERM

NEXT COLLEGE HOP MAY BE GIVEN UNDER AUSPICES OF W. A. A.

After having successfully sponsored the College dances all last quarter, the Student Council has signified its intention to turn this function over to other campus organizations.

Plans are being worked out now for the dances to be held this quarter, and several organizations have signified their desire to help in their presentation. Through arrangements are still incomplete and far from definite, it is thought that the W. A. A. will have charge of the first dance.

School Trustee Election To Be Held Saturday

The annual election of school trustees which is to be held Saturday, April 2, promises to be one of unusual interest as the terms of office of four members of the board expire this year. These are E. Burroughs, T. V. Slack, W. H. Stroud, and R. E. Ball.

The ballot will carry the names of those whose terms expire as their friends have submitted their names for re-election. Three other names have also been filed with the secretary, J. W. Shanklin, and will appear on the ticket, Joe Black, J. H. Lisle, and Ed Mickle.

The election box will be placed in the lobby of the court house with the polls opening at 8 o'clock and closing at 7 o'clock. Hud Prichard will have charge of the election.

Most Powerful Magnet Can Drag Flatiron

A 700-pound magnet, the largest in the world, to be used for drawing tiny splinters of iron and steel from the eyes, has been installed in the Eltel Hospital, Minneapolis, Minn. The instrument, which can drag a flatiron across the floor and stop a watch brought into the same room with it, has a 10 horsepower pull and contains more than 7000 feet of wire. Dr. L. R. Mackey and Nurse Flora Olson are demonstrating its use on Miss Marie Skole in this picture.
